

Thank you for your interest in the data on bilateral remittances. Please note that bilateral remittances are estimated using bilateral migration data and income levels of host and origin countries. For a detailed description of the methodology and strengths and weaknesses of this database, refer to "[South-South Migration and Remittances](#)" by Dilip Ratha and William Shaw, World Bank Working Paper 102, June 2007. Please send your request via email to migrationandremittances@worldbank.org stating the specific remittance corridor for which you would like data. Please note that any information provided is confidential, privileged and only for the information of the intended recipient. The may not be used commercially, published or redistributed without the prior written consent of KNOMAD/World Bank.
